

# Silver Lake Park

## Revitalization Coalition

Gainesville Magisterial District Supervisor Pete Candland  
&

Prince William County Park Authority

Invite you to join us for a day of service at beautiful Silver Lake Park.

Silver Lake Park is a 230 acre “nature based park,” often called Prince William County’s environmental jewel. Silver Lake offers activities such as hiking, birding, photography, fishing, canoeing or kayaking, biking, or horseback riding.

Groups and individuals can choose from unique service and service-learning projects and make a difference in their community.

Silver Lake Park Service Project

When: Saturday, October 13, 2012

Where: 16198 Silver Lake Road, Haymarket

Lunch will be provided.

All activities will take place outside. Please wear clothes that you are not afraid to get dirty and closed toe shoes.
